

Veteran Services Mobile Office Request Form

We appreciate your interest in having the KCVAO mobile office participate in your event. The Mobile program Service Representatives passionately advocate for Veterans and family members. Our climate controlled and accessible mobile office can be positioned in convenient and strategic locations with high concentrations Veterans and families. No event is too big or too small for the van. We have attended shopping center locations, Veteran service organization posts, sporting events, fairs, parades, festivals and other events in communities throughout the state.

Accredited Veteran services representatives will provide no-cost information and assistance to veterans and family members who may be eligible for benefits from the U.S. Department of Veterans Affairs. Such benefits might include service-connected disability compensation, improved pensions, death pensions, VA health care benefits, burial benefits, education benefits, and much more. We will assist with applying for state benefits as well.

Please complete the questionnaire below and submit as early as possible before the event using the email, fax number or address. You may contact Mark Nansel at 785 480-0958 if you have any questions regarding the mobile program.
